September 27, 2023

Rating Action

Taiwan Ratings Corp. today affirmed its 'twAA+' long-term and 'twA-1+' short-term issuer credit ratings on Mega Bills Finance Corp. The outlook on the long-term rating is stable. The ratings on Mega Bills Finance reflect the potential support from its parent, Mega Financial Holding Co. Ltd. group, given our assessment of Mega Bills Finance as a core subsidiary to the parent group. The ratings also reflect Mega Bills Finance's strong business stability with a leading market position and strong franchise in the domestic bills finance industry, as well as strong capitalization with prudent capital management. These strengths are somewhat offset by the company's asset-liability mismatch due to its operating features.
