Research Update:

Kings Town Bank International Lease Corp. Ratings Affirmed At 'twBBB+/twA-2'; Outlook Stable

December 21, 2023

Rating Action

Taiwan Ratings Corp. today affirmed its 'twBBB+' long-term and 'twA-2' short-term issuer credit ratings on Kings Town Bank International Lease Corp. The ratings reflect our view that the company is a strategically important member of the parent group, King's Town Bank, and would receive support from its financially stronger parent in times of financial distress.

In addition, the ratings on the leasing company reflect its adequate capitalization and adequate funding and liquidity supported by the bank's resources. Counterbalancing factors include the corporation's limited operating scale in Taiwan's finance and leasing industry and moderate risk position due to some single name concentration and higher exposure to Taiwan's real estate markets.
