

Research Update:

# Mercedes-Benz Financial Services Taiwan Ltd. Ratings Affirmed At 'twAA+/twA-1+'; Outlook Negative

August 17, 2026

## Rating Action

Taiwan Ratings Corp. today affirmed its 'twAA+' long-term and 'twA-1+' short-term issuer credit ratings on **Mercedes-Benz Financial Services Taiwan Ltd.** (MBFS Taiwan). The outlook on the long-term rating is negative. The ratings on MBFS Taiwan mainly reflect our view of a high likelihood of support from the company's ultimate parent, Mercedes-Benz (MB) Group, given the finance company's highly strategic status within the group. As such, the ratings on MBFS Taiwan will move in tandem with the group credit profile.

MBFS Taiwan is a mid-sized car finance and leasing company in Taiwan that provides financing and leasing services exclusively to Mercedes-Benz branded passenger vehicles. The company's close ties with car dealers and satisfactory asset quality continue to underpin its business stability and profitable operating track record. This is despite the company's business profile is less diversified than other finance companies in Taiwan and that its business momentum fluctuates along with the group's sales momentum.
